Hi everyone,

I have attached a file that may help you with finding your way around the CIC course if you are having trouble locating things. Monika has been very thoughtful in keeping in mind everyone's learning styles, especially those who like to have a printout to follow.

Sometimes in my online courses, I would make a printout of a topic of interest. Not everyone has young eyes that read clearly at all hours and often there are times when you can use valuable moments, (sitting waiting for children after school and at sport's lessons) where you can read a printout in peace and quiet. Also, sometimes it is valuable to have a copy of an item and put it in a file if you want to share your ideas with a teaching partner or other staff members.

It was great to meet so many people in our first conference last night and I look forward to meeting others tomorrow morning. I am an early bird. Think it comes from getting up at 4.30am for my daughter's swimming training for 7yrs. Although with the frosty weather near Toowoomba, I do like to sleep in some day.

For tomorrow morning's group, I will ensure the conference finishes at 8am as I need to be on my way to school after that. Please make sure that you arrive about 5mins early prepared with an early morning coffee or tea, to brush the cobwebs away.

Cheers,
Jan
